## April Vacation 2009

405 Early Drop Off 8:30 – 9:30 am

(Consists of reading, games, or age appropriate movie)

Mornings 9:30 am – 12:30 pm

406 Hand Building in Clay (5- 6 years) TBD

Learn basic techniques of coiling, pinching, and slab-building with self-hardening clay. Build small motor skills while exploring this creative medium and your imagination!

407 Drawing and Painting (grades 1-3) Jen Flores

Work with an array of media including pencil, charcoal and ink, to develop visual language skills and personal expression. Children will experiment with different mediums such as colored pencil, watercolor and tempera paints, to make individual and collaged art.

408 Clayworks (grades 1-3) Steve Murphy

Learn basic techniques of coiling, pinching, and slab-building with self-hardening and kiln-fired clays. Build small motor skills while exploring this creative medium and your imagination!

409 Drawing and Painting (grades 4-6) Shoshana Phillips

Work with an array of media including pencil, charcoal and ink, to develop visual language skills and personal expression. Children will experiment with different mediums such as colored pencil, watercolor and tempera paints, to make individual and collaged art.

410 Sculpture (grades 4-6) Karen Gaudette

Study the various sculptures on the DeCordova grounds to learn vocabulary and develop observation skills. Then use what you have learned outdoors to create your own unique sculpture made out of various materials including wire, paint, and plaster!

412 LUNCH If your child is registered for both morning and afternoon classes, the Museum School offers a supervised lunch period, lunch not provided, (no refunds).

(continued on next page)

### Afternoons (1:15 – 4:15)

#### 412 Storytelling (ages 5-6) Jenny DeBell

Students will read several books that will inspire them to create their own story. Drawing and storytelling will make up the majority of this class. Kids should bring their imagination and be ready to explore and have fun.

#### 413 Sculpture (grades 1-3) Jen Flores

Study the various sculptures on the DeCordova grounds to learn vocabulary and develop observation skills. Then use what you have learned outdoors to create your own unique sculpture made out of various materials including wire, paint, and plaster!

#### 414 Drawing and Painting (grades 1-3) Shoshana Phillips

Work with an array of media including pencil, charcoal and ink, to develop visual language skills and personal expression. Children will experiment with different mediums such as colored pencil, watercolor and tempera paints, to make individual and collaged art.

#### 415 Collage and Printmaking (grades 4-6) Karen Gaudette

Come have fun while learning to make your own decorative papers including marbled paper and paste paper. These papers will then be used to create collages of various creatures including insects, lizards and frogs. Students will also explore collagraph printing and scratch foam printing. Come prepared to use paint, ink, markers and your imaginations!

#### 416 Ceramics (grades 4-6) Steve Murphy

Learn basic techniques of coiling, pinching, and slab-building with self-hardening and kiln-fired clays. Build small motor skills while exploring this creative medium and your imagination!
